Know Your Rights—Interstate Compact Rules for AZ

The Military Interstate Compact has certain provisions for children of active duty military service members regarding school enrollment, registration, and other K-12 education related issues that are impacted by frequent PCS moves. Read the full compact in Arizona to know your rights as a military family. These statutes only apply to Arizona public and charter schools and do not cover children enrolling in private or homeschool programs. Learn more at www.mic3.net

Attend and Get the Info You Need

Are you just arriving to MCAS Yuma? Come check out the **Welcome Aboard Brief** at Sonoran Pueblo! Meet the School Liaison and talk about schooling options and resources.

Getting ready to PCS? Attending **PC\$ for Success Brief** is a excellent step towards getting yourself and your family ready for your next move. School Liaison will share best practices and tips for smooth schooling transitions.

Gifted Education in Arizona

Requesting Gifted Testing in Arizona

- **Gifted education** is **required** in AZ public districts (not charter schools).
- Students can be tested up to 3x/year; parents can request in writing at any time.
- Arizona accepts test scores ≥ 97th percentile from approved assessments.
 Ask your school for:
- The district's gifted testing schedule
- Referral process and accepted test types
- Whether outside scores are accepted Make your request in writing (email is fine). Include:
- Why you're requesting testing
- Any past gifted services or test results After testing:
- Request written results
- Ask about gifted placement and available services
- If not qualified, ask about appeals or re-testing

Transferring Gifted Plans from Out of State

Under the Military Interstate Compact (MIC3):

- Districts must initially honor prior gifted placement
- They may re-evaluate, but must begin services based on existing records

Before movina:

• Request test scores, gifted plans, and service documentation

On arrival:

- Share records during enrollment
- Confirm your child's test meets <u>AZ's</u> <u>approved list</u>

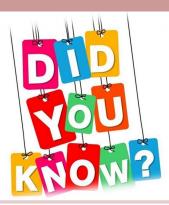

If denied:

- Ask why, and request temporary placement
- Reference MIC3 and Arizona's law (A.A.C. R7-2-406)
- Follow up in writing and ask for an appeal process if needed

Tips for Success

- Start early—testing takes time.
- Keep copies of all paperwork.
- Stay in contact with the district's gifted coordinator.
- Advocate politely and follow up often

Love Your School

Love Your School (LYS) is a non-profit organization that helps parents navigate complex school choice systems across the country.

School choice in Yuma is very broad, ranging from public district and public charter schools, to private parochial schools and a growing network of homeschool families and neighborhood co-ops.

In Arizona, LYS is available to help families navigate using Empowerment Scholarship Accounts (ESA) and Student Tuition Organization (STO) scholarships to pay for private or homeschool education as well as public school choice.
