

WHAT CAN A MARINE CORPS SPONSOR DO FOR YOU?

Sponsorship is mandatory for both CONUS and OCONUS, per MCO 1320.11H. Sponsors are trained service members who help newcomers settle into their new duty station.

So, what can a sponsor do for you?

MARINE CORPS SPONSORS ARE THERE TO

- Be a resource for information about your new duty station before arrival**
- Provide you with information about housing options**
- Give you information about schools if you have children**
- Meet you at the airport, if needed**
- Introduce you to key people in your unit**
- Familiarize you with the installation program offices**

In an effort to match you with the best sponsor, units try to match marital status - single sponsors with single service members; married sponsors with married service members.

Your sponsor has 'been there, done that,' so they are a great resource to get to know before you even arrive at your new installation. Be sure to reach out now and request a sponsor for your upcoming PCS move.

Contact your Unit Sponsorship Coordinator or the Information, Referral and Relocation office to request a Sponsor.
